

# CHLOE CHOO FOR TREASURER

**Hi! I'm Chloe, a Year 1 Law student and I'm running for Treasurer of ELSA!**

Before I chose to pursue law, I was lucky enough to intern at a law firm. This internship is the reason why I'm studying law in Durham today.

This made me realise the importance of first-hand experience when it comes to choosing our legal paths, which is why I really resonate with ELSA's core principles. I hope to guide other students in finding their passion.
